

Masterson's Mobile Kitchen

General:

48 foot Tractor Trailer with twin Slide Outs
6 x 4 Hydraulic Lift
85kw Diesel Generator with 70 gallon Tank
Hydraulic Stabilizing Jacks
Two Heating and Air conditioning units
135 gallon fresh water Tank
135 gallon grey water Tank
Hook-up for potable water hose
Aluminum Entry Stairs
Emergency Exit
Fire Extinguisher
100 amp shore power cord
Aluminum tread plate Flooring Throughout

Kitchen Equipment:

5 x 6 Walkin Refrigerator
6 Burner propane range with oven
75 lb propane Deep Fryer
Two Double Stack full size propane Convection Ovens
One 30 gallon Groen Electric Tilt Skillet
Twin 3 gallon Coffee Urn
2 gallon Iced Tea Brewer
3 Compartment Sink
4 Stainless Steel Work Tables
1 Hand Sink
Outlets For Warmers
15 foot Exhaust Hood
Outlets for Additional Table top equipment

Operating Requirements:

- The generator will operate for approximately 28 hours on 70 gallons of fuel
- One 100lb propane tank will operate all of the gas equipment on board at full capacity for approximately 10 hours. It is recommended to have one 100lb tank plus a back-up 40lb tank for any large event
- Operation of the trailer on shore power only requires a 200 amp, three phase delta service with a main shutoff switch and a licensed electrician to hook up
