Bar Services

Host Supplied Product

Masterson's can provide licensed bar services involving client supplied liquors, beers, and wines if your event is being held at a location that allows you to supply the alcohol. Corkage fees will apply for use of our liquor license and the insurance liability associated with the service of the alcohol. Corkage fees also include glassware, ice, bar fruit (liquor bar only), standard mixers(liquor bar only), and sodas(liquor bar only), bar linens, coolers and additional miscellaneous bar equipment. Liquors need to be delivered to the site by the event host. Corkage fees do not include bartender costs.

Sponsored Product

If you are a non-profit organization and if your alcohol is being sponsored then in most cases it has to be ordered through licensed distributors by Masterson's, paid for by Masterson's, stored by Masterson's and delivered to the site by Masterson's. For this service Masterson's will charge a fee equal to 15% of the real wholesale costs of the product plus the above corkage fees. This fee covers ordering, handling, delivery, coordination and accounting. A minimum \$100.00 fee will apply.

Furthermore Masterson's will keep all leftover donated products OR the distributor that the product was delivered from may pickup from Masterson's within 48 hours of the event.

Masterson's may not legally distribute leftover product to anyone except the original licensed distributor of the product.

Product names and sizes and amount of product to be ordered must be received by Masterson's 7 days before the event date as well as a total wholesale invoice amount.

By state law it is our understanding that sponsored alcohol must follow the following procedure...

- Organization is granted a sponsorship request.
- Organization or Sponsor places order with Masterson's.
- Masterson's orders product through licensed distributor.
- Product is received, paid for, stored and delivered by Masterson's.
- Organization is billed the invoice amount paid by the Masterson's.
- Organization then requests/receives a cash sponsorship from the sponsor.
